

EARLY SPRING AT LINWOOD GARDENS

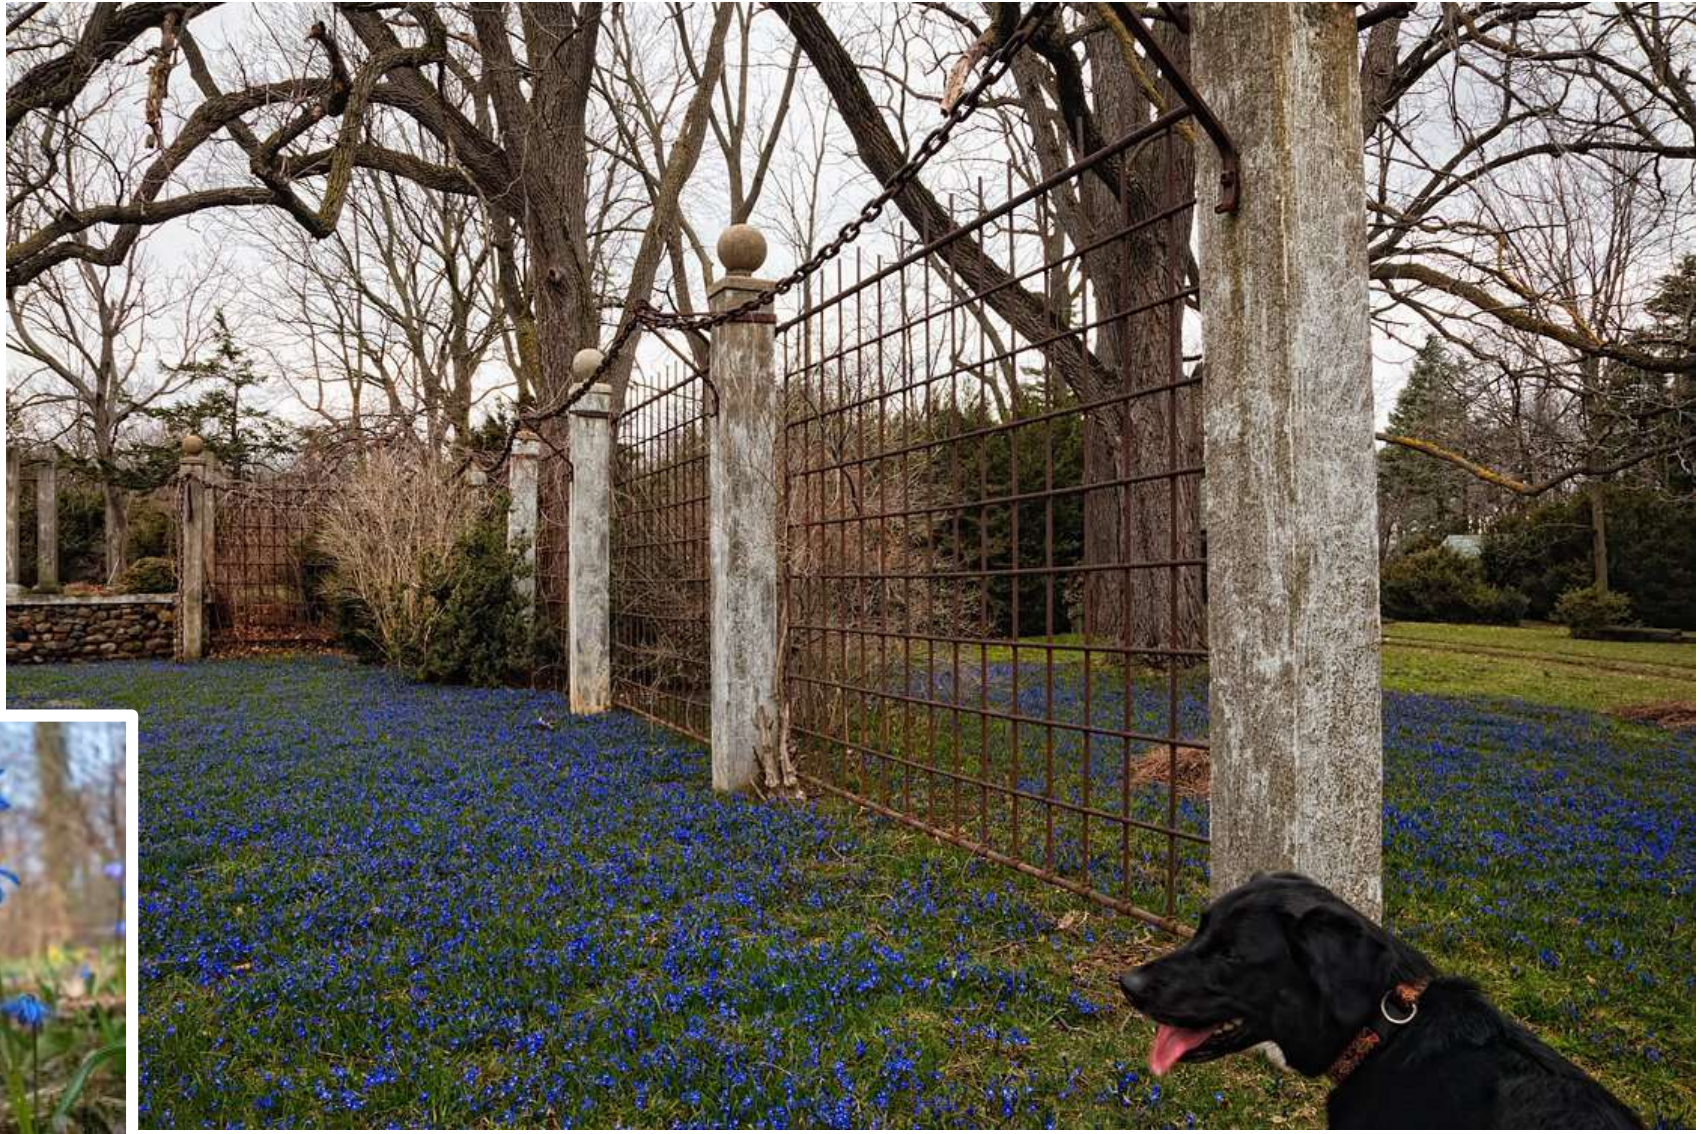

Snowdrops

Even before the tree peonies begin their spectacular late-May display the gardens at Linwood are already beautiful with the early blooms of bulbs, wildflowers, perennials and trees.

Scilla

Crocus

Daffodil

The woods at Linwood are home to many spring-blooming wildflowers.

Trillium

Cut-leaf toothwort

Trout lily

Carolina Springbeauty

Hepatica

Squirrel corn

Bloodroot

Blue Cohosh

Hellebore

Cornelian Cherry Dogwood

Pear

Red maple

Flowering Quince

Witch hazel

Eastern Redbud

Tree Peony

The early Spring buds will become the spectacular blossoms of late May.

With *advance reservations*, we invite you to safely enjoy the tree peonies at Linwood Gardens during select days throughout the 2021 blooming season.

Beginning the first week in May, more details and access for making your reservation will be available at linwoodgardens.org
